Explanation of Responses:

1. The reporting person previously reported grants by issuer of restricted common stock on Table II that vest in equal annual one-third increments beginning on the first anniversary of the dates of grant. As the restricted common stock has vested, the vesting was previously reported as a settlement of a derivative security. An aggregate of 12,000 shares of these grants reported on Table II remain unvested. The reporting person will begin reporting these grants on Table I. Accordingly, this amount reflects the total restricted common stock previously granted to the reporting person (including all previous vesting of such grants).

2. All of the option shares are fully vested and exercisable.

3. 6,000 shares are fully vested and exercisable, the remaining 3,000 shares vest on July 17, 2006.

4. 5,528 option shares are fully vested and exercisable and the remaining 1,972 option shares vest on July 15, 2007.

5. The option shares vest and become exercisable in three (3) equal annual installments commencing on February 16, 2006, February 16, 2007 and February 16, 2008.

6. The option shares vest and become exercisable in three (3) equal annual installments commencing on July 14, 2006, July 14, 2007 and July 14, 2008, respectively.

7. For purposes of Section 16(a) under the Securities Exchange Act of 1934, the transaction will be deemed to occur upon shareholder approval of certain stock compensation plan amendments at Issuer's next annual shareholders meeting.

8. For purposes of Section 16(a), upon shareholder approval of the required stock compensation plan amendments, extension of the term of the option will result in a deemed cancellation of the old option and the grant of a replacement option. However, for purposes of section 409A of the Internal Revenue Code of 1986, such extension will not be deemed to involve a cancellation or new grant. The option was originally granted on October 19, 1995 and is fully vested and exercisable.

9. As a result of certain tax considerations discussed in the Issuer's Form 8-K dated December 14, 2005, the option extensions as disclosed in the original Form 4 Report have been partially rescinded so that they continue only until the later of (i) 30 days after the options first becomes lawfully exercisable after the expiration of the securities trading limitations currently applicable to the Issuer's stock option programs or (ii) in the case of options which expire in 2006 under their terms in effect as originally granted, the later of December 31, 2006 or two and one-half months after the date of their respective original expiration dates.

10. For purposes of Section 16(a), upon shareholder approval of the required stock compensation plan amendments, extension of the term of the option will result in a deemed cancellation of the old option and the grant of a replacement option. However, for purposes of section 409A of the Internal Revenue Code of 1986, such extension will not be deemed to involve a cancellation or new grant. The option was originally granted on October 23, 1996 and is fully vested and exercisable
