Explanation of Responses:

1. Pursuant to the applicable award agreements, restricted stock units granted to Mr. Wilson continue to vest over the original vesting period without regard to his continued service once he has attained a minimum age of 55 and has completed 10 years of continuous service with the Company. As a result of Mr. Wilson's having met these age and service requirements, these restricted stock units were forfeited back to the Company to satisfy certain tax requirements attributable to outstanding awards as a result of this provision.
