Explanation of Responses:

- Each restricted stock unit represents the right to receive, at settlement, one share of common stock (plus dividends accrued on the underlying shares) and are granted to the reporting person pursuant to the issuer's long-term incentive compensation plan for employees. The shares vest ratably over a three-year period on each annual anniversary of the grant.
- This Form 4 corrects an inadvertent error in the number of restricted stock units originally reported as disposed of by the officer.
